

Women average 2.6 times as much time on unpaid care & domestic work as men do.

Proportion of time spent on unpaid domestic and care work, most recent value in 2007–15 (% of 24 hour day)

Note: 2.6 times estimate from UN Women (2018) <http://www.unwomen.org/en/digital-library/sdg-report>. Data may not be strictly comparable across countries as the method and sampling used for data collection may differ.
